

Desperate Dogs

grey sky blocking the sun
streets are deserted but there's nowhere to run
the first day of spring
seems like the last day of fall
and the desperate dogs are watching it all.....

they watch from the markets that have emptied their shelves
they watch from the shops that are closed
they watch from their balconies, afraid for themselves
they watch from their kids who need clothes

it happened so fast.....like wind through the trees
no one knew what was going on
the whole human race was brought to its knees
something was really wrong

so the dogs stayed at home 'cause being alone
was the only thing they could do
they needed a plan, or maybe superman
would help them make it through.....

through the war they've never fought before
through the losses they would endure
through the jobs that aren't there anymore
through the hope they'll find a cure

and then the dogs did what they do best....

they went for a walk and started to talk
and eventually got a grip
the desperate dogs howled at the moon
and got on board with the trip
