

MY CHOICE

if I could choose to be a season
which one would it be

summer's too hot, winter's too cold
and autumn just makes me feel like I'm old

if I could choose to be a season
I would be spring
it makes me want to dance and sing

or go to the beach
and sit on a log
or take a walk
in the morning fog

resurrect my dreams
all in one day
feel like I'm in my teens
and let old age fade away
