

Not for profit

Hello....I'm soliciting donations for my tropical vacation
It's really overdue and I can prove it too
You see.....I've been working very hard
Every day and every night
Trying to make enough money
So I can book a southern flight

I was on the wagon.....but fell off it
So i started a non-profit
And before my very eyes
Money fell like rain from the skies
Now I'm taking a tropical vacation
Thanks to your tax deductible donation
