

THE DANCE

I think I get it now
life is a dance in slow motion
and if we can move like the flowers in the wind
we can grow with every season
then the trials of every day would not be so hard to edit
they become a source of energy, making us stronger
giving us legs to dance every dance
sing every song

I think I get it now
life is asking something of me
my response is my destiny
my chance to give
growing a garden from my urban experiences
however small the plot of ground I have to work with

I think I get it now
life is about dancing in a dream
like the pampus grass on the shore
like the hummingbirds of summer
like waves breaking the sound barrier
